

## Central Alabama Community College

Below are Focused Training areas and sectors where CACC, the AVC, and our on-site Alabama Technology Network (ATN) offices can provide support to the Lake Martin Economic Development Alliance.

Services available through CACC's AVC are:

1. 2D and 3D AutoCAD layout support
2. 2D and 3D virtual modeling and simulations
3. 3D Product Prototyping
4. 3D Cave 'walk-through' simulations with embedded infra-red manipulation
5. Articulation, 2D and 3D broadcast and studio
6. Curriculum design and development
7. CAD and CAM design support
8. Decision analysis
9. Distance Learning with embedded Learning Object (SCORM compliant)
10. Fabrication-prep and layout consulting
11. Green-screen embedded person-on-screen camera production simulations and recording lab support
12. Remote-location 3D HD camera filming operations and support
13. Tele-Presence remote conferencing and real-time document review telecommuting and conferencing facilities

Along with CACC's extensive credit-based certificates and degree programs, the ATN and the AVC can also provide the following non-credit and professional development training sectors that are unique to CACC's broad delivery capabilities and include but are certainly not limited to:

1. Education and Training Services
2. Professional Development
3. Multi-tiered Supervisory and Management Training
4. Environmental Safety Training and Assessments

The following areas can be delivered as designed or modified for delivery based on the client's needs and requirements. Further, any training area need can be developed from the beginning for delivery at their location or on campus and be based on their content; kept confidential, if necessary due to proprietary reasons; and delivered on campus or at their location.

1. Advanced. Supervisor/Manager
2. Communication Skills
3. Ethics & Values
4. HAZMAT
5. Human Capital Management
6. Individual & Team-Based Behavioral Tools Evaluations and Assessments
7. Lean Manufacturing
8. Lean Office
9. Logistics Management

10. Mentoring
11. Managing Conflict
12. Managing Stress
13. On-the-Job Training
14. OSHA Training; multiple courses and programs
15. Organizational Design
16. Presentation Skills
17. Problem Solving
18. Project Management
19. Six-Sigma
20. Strategic Planning
21. Team Building
22. Train the Trainer
23. Test Item Analysis
24. Workplace Diversity
25. Workplace Violence
